DIPARTIMENTO DI FISICA E ASTRONOMIA
“ETTORE MAJORANA”

DOTTORATO DI RICERCA IN FISICA
CICLO XLI A.A. 2025/2026

TITLE

Neutrino Physics

CFU 3

Teaching staff

Name Surname: Piera Sapienza, Giovanna Ferrara

Email: sapienza@lns.infn.it , gferrara@lns.infn.it

Office: 095 542288

Reception hours: Tuesday 17:00

Program of the course:

Introduction

Fermi theory of beta decay

Neutrino experimental evidences

Solar Neutrinos

Neutrino oscillations and neutrino properties

Neutrino Mass Ordering

Neutrino Mass and Zero Neutrino Double Beta Decay

CP violation in Leptonic Sector

Sterile Neutrinos Neutrino

Atmospheric Neutrinos

Cosmic neutrinos

Neutrinos in Multimessenger Astronomy

Bibliography:

Scientific paper and slides provided by the teacher
